Scientex Conference invites all motivated participants to attend our wide Nutrition Conference, which will take place in Paris, France from 17-18 November 2022, under the theme "Revolutionary Strategies with Innovative researches in Nutrition". Nutrition Congress 2022 is a scientific conference containing keynote addresses, general oral presentation workshops, panel discussions, networking sessions of health and dietician experts on Nutrition Science, Diet, chemistry, Food technology, Biochemistry, genetics and other Nutrition Science collaboration arena.

The key slogan of the Nutrition Congress 2022 is to provide a venue for nutritionists, scholars, scientists, researchers, businessmen, industrial professionals and students to show all their research work and provide a forum for exchanging ideas and ideas to solve the problems that our planet is putting before us in the future from the point of evolving science and engineering techniques and technologies. This would therefore be a great networking setup and a solid basement for an everlasting bond that lasts forever amongst peers.

On behalf of our beloved Organizing Committee, we welcome you all to this experienced forum involving the proper participation of renowned researchers, scientists and other allied people from different countries around the globe in sharing their thrilling, fashionable Nutrition Science World outcomes. Nutrition Congress 2022 is the premier interdisciplinary forum in the area of Nutrition Science Applications for the presentation of technological developments and test findings. The conference will bring together the world's leading academic scientists, academics and scholars in the area of interest.

We hope to see you in wonderful city Paris, France look forward to sharing novel ideas and exciting discoveries with you.

Scientex Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. Provides unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality.

These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientific Meet Icon conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, ever beneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientific Meet Icon strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut-through researches at the Scientific Meet Icon conferences. Well organized scientific program.

WHY TO ATTEND ???

With members from around the world focused on learning about Nutrition Science; This is the best opportunity to reach the largest assemblage of participants from the Nutrition Science community. Conduct presentations, distribute information, meet with current and potential researchers, and make a splash with new scientific innovations at this 2-days event. World-renowned speakers, the most recent techniques, developments, and the newest updates in Nutrition Science are hallmarks of this conference. The attendees can find

HIGHLIGHTS

- ⋉ Keynote forums by Renowned Speakers
- Speaker Forum
- Panel discussions and interactive sessions.

- **⋈** B2B Meetings
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Nutrition and affiliates

Paris, dubbed the town of sunshine (la Ville Lumière) and therefore the cosmopolitan capital of France, is one among Europe's largest cities which has the well-deserved reputation of being the foremost beautiful and romantic of all cities, overflowing with historic associations and influential within the realms of culture, art, finance, science, fashion, commerce, food and style making it the foremost popular tourist destination within the world with 45 million tourists annually. The UNESCO has had its headquarters in Paris since November 1958. The word 'Parisian' is synonymous with style, and fashion shopping is that the city's forte.

Climate: Being located in Western Europe, Paris features a maritime climate with cool winters and warm summers. Summers in Paris are warm and humid, spring and fall are normally cool and wet.

Health care: Health care and emergency medical service within the City of Paris are provided by the help of publique – Hôpitaux de Paris (AP-HP), that employs quite 90,000 people in 44 hospitals. it's the most important hospital system in Europe. Paris is that the department with the very best proportion of highly educated people and has retained its importance as a centre for education and intellectual pursuits with several academic libraries and archives.

Transport: Paris is served by three international airports - Charles de Gaulle International Airport (Roissy), Orly International Airport and Beauvais (Aéroport de Beauvais Tillé).

Landmarks & Tourist Attractions: In every hidden corner and in the least the famous sites, Paris casts a spell of enchantment. One visit may inspire a lifelong romance, the simplest landmarks and destinations to go to during this magical city are; Eiffel Tower, Musée du Louvre, Cathédrale Notre-Dame de Paris, Musée d'Orsay, Place de la Concorde, Arc de Triomphe, Seine Cruises, Montmartre, Palace of Versailles, Disneyland Paris, Orsay Museum, Luxembourg Gardens, the middle Pompidou, Holy Chapel, Panthéon, Palais-Royal, Picasso Museum, Grevin Wax Museum, Stade de France, Paris museum, and Les Caves du Louvre gathering.

Whether you visit Paris for a day or a week, you'll be left longing to return and to explore this magical city even further.

The **Eiffel Tower** is an evergreen landmark in Paris that is a must-visit in any season. It's the spectacular views from the top that keep changing. In February, the grey weather accentuates the timelessness of Paris and turns it into a winter wonderland.

Undoubtedly, one must pay their admirations to Mona Lisa on a visit to Paris. The **Louvre Museum** is the home of the renowned painting and 7,500 other paintings, which make it the world's biggest art museum.

Entertain your partner and relish the banks of the Seine, a UNESCO World Heritage Site, on this unbelievable **Seine Dinner Cruise**. The excited batobus will keep you comfortable for the entire 1.15-hour long cruise and the three course dinner with a glass of wine.

Step into the mystic world of Disney with a visit to the **Disneyland** Paris and re-experience the childhood remembrances of your desired characters. Get engrossed in adventures ranging from musicals, live shows to frozen themed decorations and parade.

Palace of Versailles, the Royal Palace of the French Monarchy, it is also a UNESCO World Heritage Site. While you may not see the Gardens in all their splendor, the bare stillness of the estate contrasts with the riches inside the Palace.

One of the most enduring symbols of Paris is **Notre-Dame de Paris**, a Roman Catholic cathedral is located on the eastern half
of the lle de la Cité. It is broadly considered as one of the finest
examples of French Gothic architecture in Europe and France.

Arc de Triomphe, a massive triumphal arch in Paris, one of the world's best-known celebratory monuments. It is an iconic symbol of French national identity and took 30 years to build.

The Latin Quarter of Paris is located on the left bank of the Seine, around the Sorbonne. Known for its student life, lively atmosphere and bistros, the Latin Quarter is the home to many higher education institutions, such as the Ecole Normale Superieure.
